Subject Subpart W -- Re: Draft Subpart W Preamble and Rule  
Language

Hi Reid,

I scanned through the document and didn't see changes (redline or strikeout) - I'd prefer to not read the entire document. So, can I assume that the exchange that you and I had about the [REDACTED] (b)(5) - Deliberative Process FR

[REDACTED] If that's the case, I'm fine with the  
Rev. 5 version of the draft.

Thanks, Marilyn

Subject: Draft Subpart W Preamble and Rule Language

Hello,

Attached you will find Rev. 5 of the proposed rulemaking. I have attempted to address all comments provided. You will note mostly minor editorial changes. I did not change much of the wording on the economics section (section VI) because I'm still waiting for some input from workgroup members and our contractor. However I thought I'd send the document out now so that you have more time to review it before the holidays take over. I hope to discuss any late changes with you at the workgroup meeting on January 4, 2012, and determine if we are ready for FAR. Again, thanks for all of your help, and happy holidays.

Reid
